## WHAT OUR CLIENTS ARE SAYING ABOUT CHAT 'N' CHILL

"The island experience of Chat 'N' Chill within the island experience of Exuma, Bahamas is distinctively "out island." Also, I can't think of a better place to hang out and watch the Super Bowl than KB's Chat 'N' Chill! We did that one year and it was so much fun!! Not to mention the best food ever on the best island ever!"

—Mark & Sandy Ubelhart, Chicago AL

"The Chat 'N' Chill is a magical place. We had our wedding there right on the beach. Kwanza and KB made our special day perfect. Every time I come to The Chat 'N' Chill, I love the poached conch and Kalik beer. The people are great and view is out of this world. Don't forget to take some of KB's famous home made hot sauce!! Our absolute favorite spot in Exuma."

—Sonia and Arash Mesry, Atlanta, GA

"P.S. The conch salad at Chat-n-Chill should NOT be missed."

—Cole Lankford, Birmingham, AL

"On a subsequent day we booked a day at the Chat N' Chill on Stocking Island. We found the experience to be somewhat similar to the Soggy Dollar at Jost Van Dyke. The finest and friendliest staff, fascinating visitors (including staff from the Four Seasons, sailor passers-by, and tourists and locals from all over the island). Ages ranged from newborn to 80. The music was terrific, as was the food and drink. What a relief to take a break from the \$12 cocktails at the hotel and enjoy the real thing at Chat N' Chill. Watch out for those Goombay Smashes!"

—A TripAdvisor Member, Maine

"Chat & Chill was fun. The massages by the beach were the best, ever."

—Odanny & Sharon Andreini

"We enjoyed the beach there, had some good conch fritters from the conch stand, and had fish burgers from the Chat n' Chill for supper, which are excellent. Mmmmm, fish burgers... We ate at the Chat n' Chill three days in a row during our stay - the day we went kayaking, the day we went boating, and the pig roast day. Their menu is limited but their food is excellent, and the people are so friendly. The conch burgers are good too. It's not much more than a beach shack, but it's the place to go here, and we could definitely tell why. On Sundays especially the water taxis go back and forth all day and everybody and their dog is at the beach there."

"Favorite spots were the Chat-n-Chill and the beach. However the entire island was great. "

"For those that like the easy life - this is perfect for an easy day out. Made for romantic couples, you can either hop aboard the regular ferries from George Town or call up one of the best beach bars in the islands for a ride; Chat n Chill Bar & Grill."
